- Genome, Nucleotides, Books, so much more....

JOURNAL & BOOK RESOURCES

AtoZ Online (~30,000 online journals)

<http://atoz.ebsco.com/home.asp?ld=dvasc>

Use this to find the online journal titles we have access to.
Do Not use EJS Titles (they don't work)

AtoZ Print

<http://www.adams.edu/library/apps/periodicals.php>

Use this to find what the library has in print and microfilm.

Marmot Catalog

<http://millennium.marmot.org/search~S1>

Find books in the library and also in other Marmot libraries (Marmot Global).
You may use this to "Request" from other Marmot libraries.

WorldCat Advanced

<http://firstsearch.oclc.org/fsip&done=referer>

This resource allows you to view materials owned by other libraries. You may use this to initiate Interlibrary Loan requests.

This page is available online at: <http://staff.adams.edu/~mwalsh/>
